

East Bay Stonewall Democratic Club Endorsement Questionnaire

Thank you for your interest in obtaining an endorsement from the East Bay Stonewall Democratic Club.

Per the Club's bylaws, to be eligible for endorsement, a candidate must be a registered Democrat. All candidates must also complete this candidate questionnaire to be considered for an endorsement. Endorsements are decided by the general membership, and candidates must receive at least 60% of votes cast to be endorsed.

The deadline for questionnaires is posted on the East Bay Stonewall website (<http://eastbaystonewalldemocrats.org/Elections>). Any candidate submitting a questionnaire that is received after the deadline will not appear on the endorsement ballot. To ensure a fair process, no grace period will be granted.

How have you participated in East Bay Stonewall Democratic Club activities, and/or supported the Club other ways? What other LGBTQ+ organizations are you affiliated with and in what capacity? What other Democratic clubs are you affiliated with? *

I'm not yet affiliated with any other LGBTQ+ organization.

Using specific examples, please identify the causes you have advocated for and the ways you have helped advance LGBTQ+ rights or otherwise helped foster a community of inclusivity for LGBTQ+ individuals and families. *

When I worked for the Reach Ashland Youth Center I would make sure that LGBTQ+ voices were centered in every conversation. I asked the Librarian to curate a LBGTQ+ book corner and advocated for the LGBTQ+ flag and intersex progress flag to be hung up in the youth center lobby.

Have you previously supported LGBTQ+ candidates for office? If yes, did that include financial support? *

Jennifer Esteen, Yes

Which LGBTQ+ organizations and elected officials have formally endorsed you for this race? *

None yet.

Please describe a policy/goal that is part of your formal platform that benefits the LGBTQ+ community? *

Championing Student Well-Being & Safety

Advocating for comprehensive measures to address bullying and prioritize mental health support. Ensuring safe learning environments to promote the well-being and safety of both students & educators.

Advancing Educational Equity and Support

Work with local agencies to target initiatives for housing stability, providing a foundation for student success. Work collectively to offer resources and support, fostering an environment where no student or educator faces barriers alone.

What makes you uniquely qualified for the office and how are you different or unique from the other candidates in your race? *

I've lived in the East Bay for over 20+ years and I am raising children in public schools. My family has faced incarceration and I understand the intersectional issues that affect many LGBTQ+ students. I am the sole candidate backed by the California Teachers Association and I am best suited to address the diverse needs of our community. I am committed to bringing fresh perspectives, driving positive change, and ensuring that our community continues to thrive under my leadership.
